EQUIPPING

Our wide range of resources, events and more are designed to equip you to live out your faith in your professional and personal life.

- Mission trips with CMDA’s Global Health Outreach—making a difference in the lives of girls and women caught in human trafficking.
- GPS (Grasping Power through Surrender) Retreats—finding God’s direction for life.
- Marriage Enrichment Weekends—addressing the unique stresses of healthcare marriages.
- WMD (Women Missionary Doctors)—providing support for women healthcare missionaries.
- WPC Pulse—e-newsletter with the latest news and information from WPC.

WPC COMMISSION

Our mission is to encourage and support women physicians and dentists living out their Christian faith in their professional and personal lives. Our commission members are interested in your ideas on furthering this mission. If you are interested in serving on the commission, contact us.

I love that WPCers are like me. We aren’t all exactly the same, but we treasure the unique calling God has placed on our lives.

Student and Resident Opportunities

You will find mentors and encouragement through WPC. We also offer scholarships to attend our annual conference. Plus, a $1,000 scholarship is available for our mission trips to Nicaragua. For more information, visit www.cmda.org/wpc.

Encouraging and supporting women physicians and dentists through connecting, inspiring and equipping
As women in healthcare in today’s world, it can be hard to make real connections. We lead fast-paced, pressure-filled lives with overflowing schedules and commitments. That’s why connecting with women who share in your personal and professional struggles is so important. And that’s exactly where we come in, because Women Physicians in Christ is all about connections.

- Network with other women who share our faith, desires, hopes and dreams
- Build relationships to help us through the hard times in life
- Find rest and renewal through small group retreats
- Serve beside each other on the mission field
- Learn together through conferences, workshops and more

So we invite you to connect with us as we join with other Christian women who can truly understand your professional role and spiritual path.

The women of Women Physicians in Christ come from all walks of life—graduates, students, residents, fellows, single, married, widowed, divorced, in private practice, not-for-profit clinics, hospitals, academia, retired, military, missionary...the list goes on. We all have our own needs, but what we have in common is a need to grow deeper in our love for the Lord.

WPC Annual Conference
Our main event is the place to be inspired during four days of fellowship, workshops, worship and fun. Continuing education is offered with outstanding teaching and professional development, as well as personal and spiritual topics to help you in your daily walk with Christ.

"My favorite part is being involved with women who are transparent and truthful to the Word of God as we all strive to be more Christ-like."

"The ladies actually network. They share. They listen. They pray."

"Being with this group of women gets better every year as our relationships deepen."

"I have friends who are women. I have friends who are Christians. I have friends who are physicians. I have friends who are wives or mothers. It is rare to find a married, Christian woman physician and mother in all one person for mentorship."
