There are scholarships available on a first- come basis to assist with the cost of the registration. Meals from Thursday dinner through Sunday breakfast are included with the registration. If you are awarded a scholarship, it covers the cost of registration (which includes all meals). Some students/residents/fellows prefer receiving only part of a scholarship and opt to pay for part of the registration fee as a donation/service/help to WPC.

If this is you, please let us know how much you'd like to contribute to the cost of registration:

- I'd like to help pay for part of the registration fee in the amount of \$\_\_\_\_\_.
- I cannot afford to pay for any part of the registration and would like a full scholarship.

*\*Scholarships do not cover the cost of lodging, but WPC has a special rate available at The Renaissance Battle House Resort & Spa. In addition, WPC should be able to help link you up with a roommate. Are you interested in being connected with other students/residents/fellows who are looking for a roommate to share the cost of a room?*
